Tx u. Bob is sending an enf strategy/fact sheet that he and Amy agree on (detailed, separate from FS below). Based on my discussion with Lydia yesterday, if they are not able to meet this am and send us an update by noon, we are rescheduling the status update/briefing this afternoon for next week. Tx. **Susan:**

**Here is the updated briefing sheet. You may want to look and modify as necessary but my suggestion is that we have Enforcement update their Enforcement Strategy and Time Line.**
